BANG!

Kindt's Slightly Twisted Cord

Thomas Cord... a 21st-century James Bond?

Maybe. At the very least, he has an awful lot in common with that famous agent with a license to kill.

Readers will meet Thomas Cord in the pages of ***Bang!***, a new four-issue limited series by *Matt Kindt & Wilfredo Torres*. "At the center of the series is international man of mystery, secret agent Thomas Cord," Torres said. "He is, they say, the best at what he does."

"Agent Cord is one complicated individual," Kindt added. "He might be the country's top spy, but he's also a misogynist and a sociopath. Oh, and he's possibly been brainwashed."

"Agent Cord is just part of a much larger mystery and international conspiracy," Torres continued. "***Bang!*** is a high-octane, globe-trotting adventure story full of questionable characters, crime, and questions within questions."

Within the pages of the limited series, readers will find the answers to such questions as:

- Who is Paige Turnier, the 60-year-old novelist who spends her retirement solving crimes?
- What is the omnipotent terrorist organization hellbent on ending the world?
- Where is Philip Verve, the science-fiction writer whose books may hold the key to everything?
- Why does Thomas Cord have memories of Paige Turnier from before he was born?
- What does Thomas Cord have against shoes?

Are you getting the feeling that ***Bang!*** is far from the ordinary spy thriller? Well, acclaimed writer *Van Jensen* says that you are absolutely correct in that regard. "Imagine James Bond being abducted by *David Lynch* and forced into a maze that shifts with every step forward," Jensen said in praise of the series. "The ground is unsteady. The walls of reality move. This is the world of ***Bang***, a spy thriller expertly conducted by Kindt and Torres, a mystery box that truly starts off with a... well, you know."

Bang #1, a $3.99 comic from Dark Horse, is scheduled for February 19th release.
